

NEWS RELEASE
MYM Finalizes Lease Agreement on Building for
Phase B of Laval, QC Project

Vancouver, B.C., September 26, 2017 – **MYM Nutraceuticals Inc.**, (CSE: **MYM**) (the “Company” or “**MYM**”) is pleased to announce that it has finalized the lease agreement on building space for expansion into Phase B of the Laval, QC project.

Effective October 1, 2017 MYM will take possession of additional facility space adjacent to the currently leased, Phase A facility. The addition of the new lease increases the total facility space of the Laval, QC project from 10,000 square feet to 26,000 square feet. The expansion will triple the total production capacity of the Laval facility.

Engineering plans for Phase B will be submitted to the Government of Laval by November 1, 2017. Expansion plans will subsequently be submitted to Health Canada to include the Phase B facility under the Phase A license that is currently under consideration.

“Finalizing the lease on additional space located adjacent to the existing Phase A facility enables MYM to substantially increase potential growing space of the Laval project”, said Rob Gietl, CEO of MYM. “We are confident that Health Canada will consider the additional space in our current license application”.

The Company also announces the approval and adoption of its Advance Notice Policy, by shareholders, at its Special Meeting held on September 13, 2017. The full text of the Policy is available at the Company’s website (www.mymarijuana.ca).
